## Evidence / Proof is provided below (rev 2015)

credit for this work belongs to postings at genealogy.com and worldconnect.; researchers names not known

### SUMMARY:

Evidence is provide below:

That William Hudson is son of Peter (known because he is shown selling portions of the Peter Hudson tracts of land).

That he is the same William Hudson who married Sarah (co sign deeds, Sarah's maiden name unknown)

That he is the same who owned land by the Wilborns (future sons in law) on Bluestone Creek, (deeds)

That he is the same who was brother to Judith Hudson (daughter of Peter Hudson)(Will)

The same that is linked to the Pool's (Wm Hudson and Alexander Pool are witness to Wm Harris will)(Will)

The same shown to own slave "Barnett" in Mecklenburg and later , in SC , gives that same slave to his daughter Polly.(tax record, deed)

The same as father to Ursula, Cairy, and Polly (Polly proved by slave gift, Polly's sisters Ursula and Cairy (various spellings) are proved by a gift of land by Wm Hudson in 1809)

--

This links Peter Hudson, Wm Hudson, Ursula / Cairy / Polly Hudson (although I think there is evidence that Wm Hudson Jr. and Samuel Hudson may belong in this chain, I don't think those remain speculative)

## DOCUMENTATION TO PROVE WILLIAM HUDSON IS SON OF PETER AND FATHER TO URSULA, POLLY, AND CAIRY:

references are from genealogy.com, World Connect, and ancestry.com

### 1.Proofs that Wm Hudson is son of Peter

This Wm Hudson is shown in deeds selling off portions of the 3200 acre tract of land that once belonged to his father Peter Hudson (see Peter Hudson's Will)

Evidence of Wm Hudson as son of Peter Hudson October 3, 1758: William Hudson of Lunenburg Co. sells to Peter Fontaine of Hanover Co., for £100, 400 acres lying in Lunenburg Co. on north side of Stanton R. on upper side of Buffalo Cr., being part of tract granted to Peter Hudson, decd, and containing 3280 acres on 24 Aug 1754 and

adjacent lands of said Fontaine and James Hudson; signed William (X) Hudson; acknowledged Oct 3, 1758 (Deed Book 5, p. 316; Order Book 5, p. 115)  
May 15, 1760: William Hudson of Lunenburg Co. sells to Filmer Wells of Halifax Co. for £70, 400 acres, being part of 3200 acre tract lying in Halifax Co., bounded and beginning at a white oak in the line of Richard Smith, thence southward etc. and adjacent lands of Wm Drew; wit: Edward Booker, James Mauraw (sic), Elijah Hunt; signed: William (X) Hudson and Sarah (X) Hudson (Deed Book 2, p. 1 connecting William Hudson to 1 Peter Hudson.  
(from Genealogy.com)

Now this is a copy from another researcher of a deed from Charlotte Co. V 3 Aug 1771 Patent Arthur Griffin Junior, (Anthony Griffin) ....1350a Charlotte Co VA on the brs.. of Buffalo Creek adj. \*William Hudson\*, Fontaine, Williams, Ashworth, Cornish, Binton/Burton & Richard Hudson...Whereas by Patent 24 August 1754 granted unto Peter Hudson dec'd containing 3280 Acres in Charlotte formerly Lunenburg County And whereas Peter Hudson & Robert Hudson Executors &c of the sd.

#### CONNECTING WM HUDSON TO PETER HUDSON AND JAMES POOL (husband of Ursula Hudson)

Will of William Harris ties Wm Hudson to Peter Hudson via Peter's daughter Judith Hudson Harris, and to the Pool family via Alexander Pool, brother in law to Wm Hudson's daughter, Ursula.

Judith Harris (daughter of Peter Hudson and brother to William Hudson)-- William Hudson is executor. Alexander Pool was a witness to this will. Alexander Pool was James Pool's brother (James is the husband of Wm Hudson's eldest daughter Ursula). Note that Alexander Pool, after he moved to NC, named a child for William Hudson.

#### 2. PROOF WILLIAM HUDSON IS HUSBAND TO SARAH AND OWNING LAND ON BLUESONE CREEK (where the Wilborn family lived)

from Belva Cauthen, (this posted at genealogy.com in 2007)01 one of many documents showing the Wilborns owning land on Bluestone Creek" (Belva's notes are distinctive, she uses only lower caps in her transcriptions)

**lunenburg co, va deed book 6, page 541, 1761, william harriss of lunenburg co, va, planter, to roger atkinson, merchant, of dinwiddie co, va for 100 pds, 400 acres on both sides of mitchell's fork of the bluestone creek being part of a larger patent of land to john wilborn on may 19, 1757 and deeded to william harriss and bounded by woodpecker creek.signed:wm harriss.no witnesses.**

from "Genealogy.com"

February 14, 1791: William and Sarah Hudson sell 400 acres to Samuel Hudson, for 500.00 pounds, on the Branches of the Middle Bluestone Cr., bounded by Chavis, Winn, and Glaspie. Wit: John McGuire, Thomas Graves, William Graves; signed: William X Hudson and Sarah X Hudson (Deed Book 8, p. 159)

December 4, 1804: William and Sarah Hudson sell 324 acres to Samuel Hudson, for 350.00 pounds, on the Middle of Bluestone Cr. bounded by Jacob Chavis, Th. Vaughn, and Samuel Hudson. Wit: Howel (sic) Rose, Robert Harris, William Thomas. Proved by

oaths of Robert Harris, William Harris, and Howel (sic) Rose; signed: Wm X Hudson and Sarah X Hudson (Deed Book 12, p. 232)

Since these deeds are located near William and Sarah's property. most interpret this as selling land to their son. But this is less than "proof" so we leave it as a "speculative" connection to a son..

3 Records of the Slave Barnett were noted by two sharp eyed researches. This is a vital reference because it can be used to link the Mecklenburg Wm Hudson to Ursula Hudson Pool, Cairy Hudson Wilborn, and Polly Hudson Wilborn.

(I would reference the original researcher if I knew the name, excellent work here) from genealogy.com

Photocopies of these documents, ( 1790 and 1799 Mecklenburg Tax Census) are attached to this document. (Also, they are available at the following web sites: a) ancestry.com and B\_

(<http://www.binnsgenealogy.com/VirginiaTaxListCensuses/Mecklenburg/1799PersonalA/16.jpg>) on Binn'sa12q! Genealogy . And from that tax list we find William Hudson and slave named Barnett

later, in 1809 in a Edgefield SC Deed, Wm Hudson is shown to give that same slave to daughter Polly Hudson Wilborn.

also in 1809 in a deed recorded in both Edgefield and in Laurens SC, Wm Hudson gives land in SC and NC to daughters Cairy, Polly, and Ursula. (Polly being shown to be daughter of Wm Hudson who owned slave Barnett; now Cairy and Ursula are shown to be daughters of the same William Hudson
