Dear Doc

A few days ago I received a letter from a Gentleman in Baltimore requesting. me to give him all the information I could relative to my Grand Father Col. Jas Williams who was killed at Kings Mountain in 1780. My Gran Father was a Merchant in this neighbourhood prior to the revolution. the most of his books & papers was put in the Store house & it closed for Safe keeping the Tories came & plundered his dwelling drove my Gran Mother from home they took Shelter in the dwelling & had it as head Quarters for them for Some time, they burnt the Store house down & destroyed everything they could. burnt his mill and - and drove my Gran Mother with her litle children from home about 3 miles. She took Shelter in a litle old School house in the woods - She was permitted to take with her a very large & Strange family bible -- And while examining Some old paper I came across this bible & I found in that Some old records of my Great Grand Father & my G. G. G. Fathers family - and I that moment thought of you, and determined within myself, I would give you there burths & as they are in the Old bible & See if you cold tell what relation we were to each other - which I will give you below precisely as they are my Gran Fathers family Ages & Burths are not in the bible
