Hello Kent,

I see you have the History of the Hedrick family composed by Ann Troianello. She was my husband's cousin. (The sticky note attached is from my brother-in-law, D W Hedrick). Unfortunately there are MANY errors in it which I have discovered as I work on the genealogy of the family. Just starting with page 8, it should be David married Ann (on marriage index) or Anna (on tombstone) Gates 6 Feb 1844. Hannah was born 25 Jan 1847 and died 24 Mar 1831 (death certificate). She married David Reeves 2 Dec 1866 and had 8 children. Osman was born 12 Mar 1851 and died 29 Jan 1857 (DOB calculated from age at death); Jemima was born 24 Dec 1852, died 13 Oct 1855 (again DOB calculated from age at death). You have Elizabeth Page's last name spelled Paige in your records - it was Page. She was born 12 Dec 1834 and died 29 May 1904. Irene Hedrick was born Jan 1861 according to the 1900 census (and page 14 of the History) . She was married 19 Apr not 22. Eldon died 23 Jul 1914. Arabella was born in 1863 and died 11 Mar 1915 and had 4 children. Lyman died 27 May 1948 and was married Jul 1899 to Ethel McDaniel. Those are just a few errors.

Page 12 written by Henry Ward Hedrick: the marriage could be 23 Jan 1821 of his grandfather Adam and grandmother Lopp according to records I found. Of course the family bible has 25 Jan. Perhaps the Rowan County marriages were not marriages but licenses? Not sure. His father was born 8 Nov, not 6.

Page 14- I never could find any reference to a Solomon Hedrick. Again the marriage year of Hannah to David was 1866. Hannah died in Porter in 1931, born 1847. Arabella was born 1863.

Page 15- Lyman was born in 1876 in Illinois

Those are just a few, sorry.
